

# STTACC CHAT

STTACC Chat is the official newsletter for Staff Training for Technical and Community Colleges association and serves as a voice for all classified staff members. STTACC Chat is distributed quarterly to all member colleges and classified staff in the state.

STTACC welcomes the opportunity to share training workshops, classes, conferences attended, certifications obtained, and other professional development opportunities geared toward classified staff.

All member colleges have a STTACC College Contact who is responsible for gathering and reporting training experiences and resources each quarter. Be sure to email your College Contact by the submission dates below to have your news published in STTACC Chat!
